

Hosted Phone Service

Who are we?

Based in Brandon, Tampa FL, Savage Consulting is a leading Managed Services Provider, specializing in comprehensive IT support and cloud software solutions for small to mid-sized business. Our mission is to provide the best quality unified communications, computer repair, products and service at a competitive rate.

Did you know?

With Unified Communications, users can save 50-75% versus traditional landline services?

It's more than just saving money. You can connect with more of your customers. No call goes unanswered with VoIP's routing and forwarding features.

The Future of Business Communications is here.

So why are you still using a landline? Between the Cloud, VoIP, Unified Communications, Mobile VoIP, and more, technology today makes staying connected with your business and your customers easier than ever. You're in control of the features your business needs to grow like never before. Our hosted phone service is easy to use, cost effective, and grows with your business needs when you need it. With all those benefits, why wouldn't you switch? Provide your business the tools it needs to flourish and watch it do just that.

What makes Savage Consulting the best choice for your business?

We already know what you need to succeed. We've carefully chosen the best tools and technology available to make your business ready for the future. All of the tools you need for your business to grow are easy to use and packed with features.
